Hotels Etc. Addendum Exhibit 1

This addendum is entered in on Jan 1st, 2016 on and between Hotels Etc., INC and Sherlock travel corporation and will be attached to original agreement dated on July 23, 2105.

Previous contract will remain in effect and will be change, modify or alter any existing terms and conditions stated within. Only changes that will be affected is delivery of the system and fees for customization.

Hotels Etc.,INC agrees to provide Sherlock travel our new API which includes Desktop booking engine two applications to upload within the app environment under their brand. New desktop booking engine will also contain their brand/logo.

Sherlock Travel agrees to pay \$5,000 for a braded desktop API (booking engine) and \$5,000 for branded iphone and android app.

Hotels Etc. will connect engineers with Sherlock Travel to ensure speedy release of API's and integration of said API's.

All previous terms and conditions still apply other than what is listed above in Exhibit 1.
